## Disclosure Chart

Type of Product	Residential Fixed Rate Product
Contract Term in Months	3
Does the plan have a termination fee?	No
Can my price change during the contract period?	Yes, but only the charges outside Volt's control - see below
If my price can change, how will it change, and by how much?	The fixed energy charge from VOLT will not change for the duration of the agreement. The price applied in your first billing cycle may be different from the price in this EFL solely to reflect actual changes in TDSP Delivery Charges, TDSP Surcharges, changes to the Electric Reliability Entity administrative fees charged to loads, or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
What other fees may I be charged?	You will incur a fee of \$9.95 per billing cycle if you are not enrolled in Autopay and email billing. Charges for required, nonrecurring fees will be listed as separate line items on your monthly bill. Please see the "Pricing & Fees", "Billing", "Payments" and "Deposits" sections of your Terms of Service for more detailed information.
