Fixed TX Wind

AEP Central Electric Delivery Service Area

3/6/2020

Electricity Price:	Average Monthly Use:	500 kWh	1,000 kWh	2,000 kWh
	Average Price per kilowatt-hour (kWh):	13.2¢	12.3¢	11.9¢
	This price disclosure is an example based on assumed usage levels – your average price for service will vary according to your usage. The prices in the table above are based on the following components:			
	Liberty Power Supply Rate: \$0.07310 per kWh			
	Liberty Power Monthly Base Charge: \$0.00			
Other Key Terms and Questions:	AEP Central Electric Delivery Charges: \$0.0408610 per kWh + \$9.000 per month Customer Charge			
	Utility Delivery Charges are passed-through without mark-up and reflect the recurring fees charged by the TDU. Prices do not include PUC Assessment Fee or applicable taxes.			
Disclosure Chart:	The Liberty Power Supply Rate appears above and as a separate line item on your invoice. See Terms of Service for a full listing of fees, deposit policy and other terms.			
	Type of Product	Fixed Rate		
	Contract Term	36 months		
	Do I have a termination fee or any fees associated with terminating service?	Yes. An Early Termination Fee (ETF) will be assessed if you terminate service prior to the end of the initial contract term. The ETF amount is based on the number of months remaining in the term Agreement: <ul style="list-style-type: none"><li>Less than 12 months = \$100 ETF</li><li>12 months or more = \$200 ETF</li></ul>		
	Can my price change during contract period?	Yes, under limited circumstances described below		
	If my price can change, how will it change, and by how much?	Your Liberty Power Supply Rate is fixed and may only change if there is a change in law. See Terms of Service for details. The price applied in the first billing cycle may be different from the price in this EFL if there are changes to TDU charges; changes to the Electric Reliability Council of Texas (ERCOT) or Texas Regional Entity (TRE) administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.		
	What other fees may I be charged?	Rates listed above do not include non-recurring transmission and delivery charges from your local utility, or applicable federal, state and local taxes and charges. We may also apply other fees, if applicable. Please see the “Billing and Payments” and “Disconnection of Service” sections of your Terms of Service.		
	Is this a pre-pay or pay in advance product?	No		
	Does the REP purchase excess distributed renewable energy generation?	No		
	Renewable Content	100% Texas Wind		
Liberty Power Contact Information:	The statewide average for renewable content is			18.9%
